### PROMOTION – Speed limits

Make it easy to check speed limits according to the type of communication!

Order our great expanding package "Trip mode – Speed limits" and you will have a clear overview of how fast any driver steers. This module evaluates the driving style of drivers.

Driver's behaviour classification can be found in "Statistics – Trip mode – Analysis of driving style"

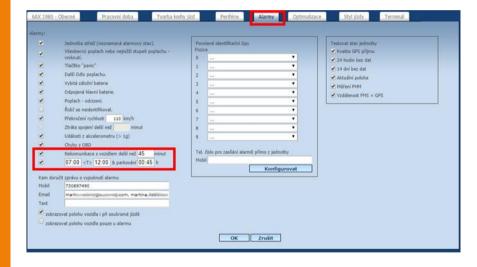

Statistic is also refelcted in the "Dispatching" tab. The road sections, where the overspeeding occured, are highlighted by a thick red semi-permeable line

#### **NEWS – Alarms**

We have added two additional alarm options in Vehicle setting

- Alarms tab:
  - 1) Non-responding vehicle unit for more than...
  - 2) Vehicle standing/parking for more than...

# NEWS – Alarms – Non-responding vehicle unit

# NON-RESPONDING VEHICLE UNIT FOR MORE THAN:

If the vehicle unit stops communicating for longer time than you have set up in the system, you will receive an alert message or email.

Fill up the phone number and email in Vehicle settings in the Alarms tab. If multiple emails are required, separate them with commas.

Please note: If you fill out a phone number, each SMS will be charged according the tariff. Sending emails is free of costs!

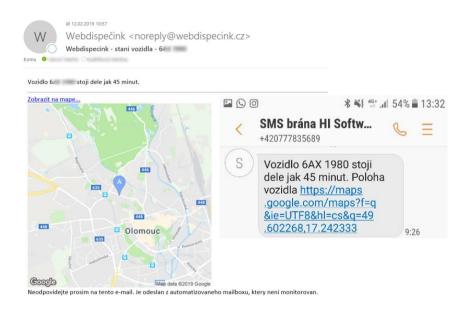

## NEWS – Alarms – Stationary vehicle

# Vehicle is standing for more than:

With this feature you can define a period of time at which the vehicle is to be monitored. You can also define the amount of minutes for which the vehicle can stay motionless.

If it exceeds the defined minutes at the specified time, you will be notified by SMS or via email, depending on your setting.

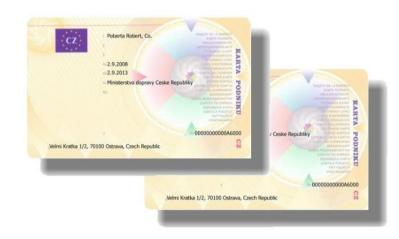

### Notification – Remote digital tachograph download

We would like to remind our clients who have paid the "Remote digital tachograph and the driver card downloading services" that it is necessary for backing up the data to send your "Business card" to our company. The card is linked to our servers then and the authorization in the vehicle takes place via your card.

Any company can have a multiple "Business cards". The publisher of the cards is the Ministry of Transport. The second Business card is handled at the appropriate office, as well as the first card.

For more information, please click on the link below: https://www.mdcr.cz/Dokumenty/Silnicni-doprava/Digitalni-tachograf

If you have any questions, do not hesitate to contact us via email: webdispecink@webdispecink.cz

### CONCLUSION

We believe that you have found useful information in this magazine, to make it easier for you to work with Webdispecink application.

Thank you for being with us.
