MAJOR NEWS - Eurowag and E.ON joining forces with eMobility

Eurowag has entered into a partnership with Czech energy giant E.ON in NEWS - Eurowag and E.ON joining forces in eMobility.

The backend of E.ON's electric vehicle (EV) charging stations is connected to both Webdispatch, Eurowag's fleet management system (FMS), and the eFleet Management system for electric car fleet management.

Now you will be able to track all public and corporate transactions and charging costs for all the electric cars in your fleet.

NEWS - Eurowag and E.ON joining forces with eMobility

Partnering with a leading Czech provider of energy and eMobility solutions and also the owner of a charging station network is going to significantly move forward our efforts to decarbonize the transport sector.

NEWS - Perfect Drive - Columns added to the bulletin board

For drivers to be better informed, the columns below have been added to the Excel final driver ranking:

- Speed (km/h)
- Climbing (m/100 km)
- Consumption (I/100 km)
- Weight (t)

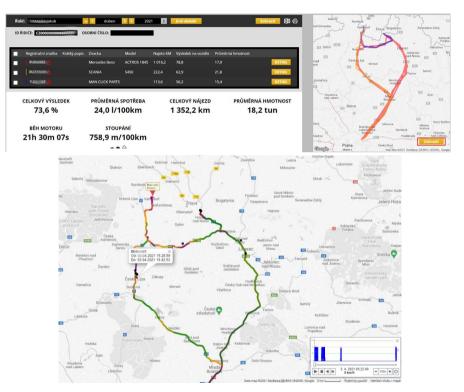

NEWS - Perfect Drive - Detailed map

A new "Display" button has been added to the driver report to show a detailed map of a driver's journeys.

The driving route is plotted using the driving mode:

- green motorway
- orange between cities
- purple city
- · red other

NOTE – All training is still online

To protect your health and minimize the spread of the Covid-19 disease, all professional training runs online.

Details are specified in an email sent to all who signed up before the date of training.

Thank you for your understanding and the best of health to everyone!

The Webdispatching Team

Customer training - Sign up for free training

We are starting a further series of training sessions you can join at no charge. Dates are available until June 2021.

Either basic or expanded training is available in selected chapters of Webdispatching.

More information can be found at the link to "Free training" at the Webdispatching portal.

We look forward to seeing you.

REGISTRACE
