NEWS – Setting of displaying agendas to users

We have prepared a new product for a faster set up the agendas. It is no longer needed to set agendas just for one user at a time.

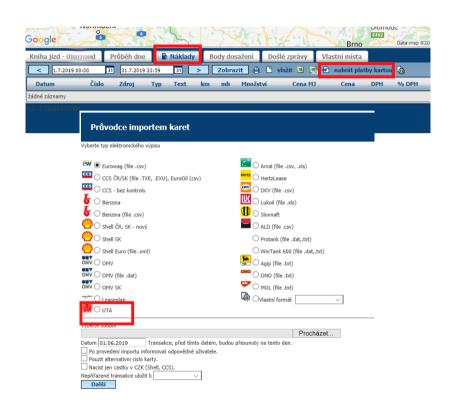

Newly, you can set up mass viewing of agendas, for example to all users.

You can also limit the displaying of Statistics, Tools and Settings items.

NEWS – Import of refueling

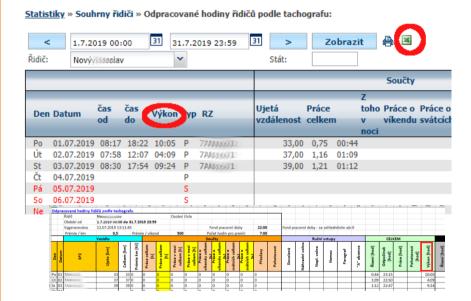

We have extended the list of fuel cards. Since now you can also import of refueling transacted with UTA card either.

NEWS – Hours worked in accordance to tachograph

Statistics – Summaries of drivers -- Driver's hours worked according to tachograph.

When you export data to XLS format there is a new added column in a file called "Performance"

CONCLUSION

We believe that you have found useful information in this magazine, to make it easier for you to work with Webdispecink application

Thank you for being with us.
